Tribe 6th-8th Grade Boys	Tuesday February 5th & 12th	7:30-8:30	

Teams & Coaches

Teams are formed based on Neighborhoods, Schools, requests, and past teams are also considered. Requests can be made at time of registration but cannot always be honored. Youth are encouraged to make new friends.

All coaches are parent & family member volunteers. We can never have too many coaches. Please consider stepping up to coach a team this season. No prior experience is necessary. League Directors will contact parents if extra coaches are needed after the teams are made.

Regular Season

Season runs mid February—early/mid April

Teams will play up to two games per week

The full season consists of about 10-12 games

Practices can be scheduled by coaches once the season begins in the NBGC gym or practice rooms

Season concludes with All-Star & Parents vs Kids games

Weekly Game Schedule

Days and times may change when the schedule is released

Each game will last approximately 40-45 minutes

K-1st Grade will play all games inside the NBGC Gym

2nd-8th Grade will play all games in the Revere Park Gym

League	Potential Game Days & Times

Senior League 6th-8th Grade Girls	Monday/Wednesday/Friday: 5:30-7:00pm
Tribe 6th-8th Grade Boys	Tuesday/Thursday/Friday: 6:00-9:00pm

NBGC Sports Programs

The NBGC offers a wide range of activities year round. Not only do NBGC kids have fun and learn skills with our sports programs, we also strive to teach them important values. We stress good sportsmanship, conflict resolution, responsibility and teamwork. We require our players, parents, coaches and officials to treat each other respectfully. Our philosophy is "Everyone Plays." This ensures that every child has the opportunity to play in every game—regardless of their skill level.

Youth Leadership

The Mission of the NBGC is Youth Leadership. Preparing our members for the future is our only goal. Youth Leaders begin to emerge while participating in our sports and social programs. At age thirteen they are encouraged to enter a ten-week leadership training program. Here they learn how to interact with people, manage groups, and supervise our members in a professional manner. Upon completion, leaders learn basic office skills at our front counter, then progress to supervising member activities and officiating sports. Youth Leaders, Senior Leaders and Staff are an important part of Club management. Having earned the friendship and respect of younger kids through years of involvement, they are often able to resolve conflicts and instill enthusiasm more easily than their adult counterparts. Their interaction with parents and coaches provides everyone with the proper perspective during sporting events.

Volunteer Coaching

Coaching is one of the most important ways our parents can make a difference. Although our sports programs are managed and officiated by the NBGC Staff and Youth Leaders, it is the parents, adult community or family members, and college or high school students that act as coaches. No previous coaching experience is necessary. We provide them with all the help they need.

Attendance Policy

Good Attendance is an NBGC expectation. Players should attend their games regularly regardless of other activities and must maintain an attendance record of at least 50% to remain on the active roster. A player who cannot make their game should have their parent contact NBGC to notify the staff in charge of their League or the Athletic Director. Those players with poor attendance will have their playing time cut or be benched until improvement is made. Too many absences can cause a player to be dropped from the team. Parents are asked to discourage their children from missing games or quitting and to finish what they start regardless of the result.

Uniform Requirements

Players will be issued an NBGC uniform once teams are finalized. We understand it is not always the child's fault that they are not in uniform. We want the youth to understand that being prepared is crucial to success. Therefore we will not allow players to play a game without their full uniform. As parents, mentors, and leaders we need to allow the youth to experience a non-participation day as a teachable moment. Replacing equipment is also an option, we cannot guarantee we have the correct size or item in stock. We cannot "LOAN" out uniforms. Players should place their belongings in the following places: At NBGC: On the coat hooks in the hallway outside the gym or give to parents in the stands. At Revere Park: In the Balcony or give to parents in the stands. Items are not to be left in the Hallways or outside the gym doors. Please leave all valuables at home. We cannot be responsible for items left unattended.

Code of Conduct

Essential to promoting our mission is the conduct of our members, their families and our staff, both on and off the field. It is our responsibility as parents and adults to set the appropriate example for children and teens at all times. Winning is nice. But at NBGC, more important than winning is participating, giving an honest effort, learning, and playing fair. It is the combination of winning and losing, success and failure, that builds character and allows a young person to grow. The simple joy of youth athletics is spoiled by sideline behavior that includes yelling at players instead of encouraging them, any incitement to rough or violent play, arguing the calls and decisions of the officials and placing too much importance on winning. Kids, officials and staff will make mistakes and they will learn from them. When mistakes are made or concerns arise, we need to address them in the appropriate manner. Issues will not be addressed during the activities or on the sidelines. Issues should be addressed after activities, behind closed doors, and with the appropriate person. Creating a supportive environment in which young people can learn, develop and grow is our goal.

NBGC HISTORY

Robert Buehler and Richard Valentin founded the Neighborhood Boys & Girls Club in 1931, two important men whose vision and dedication have made the organization what it is today. The NBGC organization has been an integral part of the community for over 87 years. The Club is a non-profit organization **that is independent from any other Boys & Girls Club. Operations are supported solely by program fees, donations and fund-raisers. Membership is free to all youth.** NBGC offers a diversified athletic, social, recreational, leadership and scholarship program for boys and girls 5-18 years old. The rules are simple: everyone plays, develops at their own pace and respects each other. The program goes far beyond sports. **Leadership skills, new friendships, and most of all a pride in oneself and community** are the natural outcome of the unique Neighborhood Boys & Girls Club program. Parents come to rely on the organization as an extension of their family, where a registration form can be exchanged for a lifetime of learning and support for their children. Thousands of alumni still reside with in the NBGC community, cherishing their youthful memories and maintaining their friendships. Today the year round program of the NBGC includes activities for over 1,600 boys and girls.

NBGC Mission Statement

The Neighborhood Boys & Girls Club is a non-profit independent organization founded in 1931 dedicated to youth development. Our mission is to enhance the well-being and develop the potential of our members, their families and the community.

Vision

To build better men and women. We believe these qualities build better men and women who carry these values into their adult lives.
