THANKS FOR HELPING THE BLIND

We would like to thank all those people who helped us raise money on the Lions Candy Day for the Blind. Our group raised \$657.68 in this neighborhood on a cold, rainy day. Since so many people helped it is impossible to print a list but their help is greatly appreciated, on a day when most people usually like to stay home. The weather did not keep these people from helping on this worthy cause. Thanks again! By: Rich Paschall

"YOU AND ME"

By: Rich Paschall

"Why don't you learn how to ref?" That was the cry from one of the spectators standing on the sidelines as her son hit the ground. The official was to blame again as one of the players tripped over his own feet. Some spectators on the sidelines, of course, know all the rules but the official, they're out to get everyone - they're cheating. That's the way it sounds when they tell it out at the games, and when they talk to their kids at half time; but when they come into the club at other times they just can't understand the bad feelings the kids show toward officials -- They don't have to look far for the answer.....the last game played perhaps!

Puppy leaguer KEVIN BYRNE is temporarily out of a job. The rope on our flag pole has come apart. Bowlers wanted... We can still use 4 bowlers in the Team League Bowling Program TOM JOHNSON found out that football is a rough sport as he left at the end of his game with an injury--he was stung by a bee. The flag is the only thing Kevin Byrne can run up the flag pole. BOB TURCO says that Kevin is driving him up the flagpole, too.

I noticed after the games on the muddy fields Saturday that the Pup Leaguers went home dirty but most of the Tribe Leaguers went home clean. (What do you suppose that means?)

Former N.B.C. leader PHIL CLINE has volunteered some of his time to help with the officiating chores during the football season. By the way, Phil got married this past Saturday. CONGRATULATIO

REGISTRATION is held every Tuesday from 3:45 to 5:30 p.m. and Saturday from 9:30 to 11:30 a.m.

Football uniforms will only be given out on Tuesday from 4:30 to 5:30 and Saturday from 3:00 to 4:00 p.m. If you plan on playing football and you don't have a uniform, you should pick-up one soon.

Just a reminder that bikes are a hazard on the sidelines. Let's not have any injuries. Put your bikes in the bike rack and lock them up.

BILL WELLHAUSEN learned a new term last week - railroading! We elected him to a new job - whether he wants it or not!

WORDS OF WISDOM: "Victory is no accident, you have to accomplish it!"

S M I L E !!!

NO EXCUSE FOR NOT WEARING YOUR UNIFORM. Lately there have been a lot of boys coming to their games without their helmet or jersey. No more permits will be given.

THE NEW PUP LEAGUE PICNIC

The new Pup League picnic which was scheduled to take place at Schiller Woods last Sat. was cancelled because of bad weather, but we still had the picnic in the clubhouse. We started the ball rolling by playing many games of bombardment,

followed by a game of kick baseball in the Paul Revere gym in which the Clobbers defeated the Crusaders 45 to 35 in a wild contest. By this time the pups were starved and had their lunch. After lunch we played the big wind game and ended the activities with a game of soccer in the team center room. All the boys seemed to have a good time. The next activity for the new pups will be on Wednesday afternoon at 4:00.

On Tuesday, Oct. 14 at 4:00, the first workout for the Revere Park Wrestling team will be held, at the fieldhouse. Any boy 17 years of age or younger is welcome to come out and get into these sessions. The workouts will be held every week on Tues. and Thursday from 4:00 p.m. to 5:30 p.m. until the end of February. Instructions in the general workings of a collegiate style match, as well as specific takedowns, breakdowns, pins and escapes will be given. The workouts will be strenuous and with the intention of preparing the boys for competition in tournaments with other parks where medals will be awarded to the victorious. There will be a weight limit so every boy will be competing against an opponent of equal weight and size. The only equipment necessary is gym shoes, a sweat shirt and a willingness to learn.

PENNY FOOTBALL RESULTS

The new penny football tournament in the game room turned out to be very popular among all the players. The tournament was held on Thurs. and Friday night and the finals were played on Saturday afternoon. In the Tribe League, Brian Meidel beat Tom Horn for 1st place and in the Pup League Scott Jensen defeated Craig Loiancano for first place honors. We are planning to have a few more penny tournaments in the coming month and then a big final tournament in which the boys who took 1st or 2nd place honors in the other tournaments will compete for the championship. So to give everyone a chance to find out how exciting this penny football game is we will have another tournament this week. For the Tribe League it will be held Thurs. night at 6:30 p.m. and for the Pups it will be Friday at 6:30 p.m.

GO! GO! GIRLS

Paul Revere Park Fieldhouse now has a woman instructor, Miss Lois Bilicki, who is teaching girls, ages 6 to 10 yrs., Lo-games, basketball, volleyball, floor hockey, dancing and other games. She is assisted by Miss Maureen Kelly, Recreation Leader. Girls can come in and register all next week. If Miss Bilicki can get enough of the older girls to sign up, then she will teach them square dancing.

CHEERLEADING

Sign up for Cheerleading on Monday, Oct. 27 at 4 p.m. Practice will start on Sat. Nov. 1st at 10 a.m. and will be held each Tues. and Thurs. at 4:30 p.m. This is for girls between 9 and 13 yrs. Miss Jan Vogel will instruct again this year.

LOCUSTS SKIM BY SCORPS

By: Bill Abplanalp

The Locusts, and Wally West, slipped by the Scorps on a wet and slick field. The Scorps started the game off by coming late. It took them till 5:12 to round up 8 men. Then the Locusts had only 2 men that could play in their backfield thus putting 9 men on their line. Even though the Locusts had 1 more man on their line than the whole Scorps team, they had a hard time moving the ball. Wally West was the Scorps main target as he would run with the ball most of the time. Each down Wally would quarterback and each down he would be hit hard and would always come back for more. He is a good example of football player, not a baby like most players. Back in the first quarter the Scorps got off on a good note as Jim Roeber took a pass from Neal Farrella and scooted past the Locusts for a 65 yard Scorp T.D. For the extra point Bill Eisenbeis tried to kick it over for 2 points but was unsuccessful. That's the way the game stood until the fired up Locusts took charge of the fourth quarter and scored on a beautiful 2nd and 3rd effort by Wally West. Wally also scored the winning point as he trotted in the end zone with the extra point. The Scorps tried frantically to score again with 3 min. left but their passes were all unsuccessful.

TRIBE FALCONS TIE SPARTANS

These two teams are up in the race in T.C. 1 and 2. The first quarter was scoreless with neither team being able to move the ball steadily against the other team. The Falcons scored the first touchdown in the early part of the second quarter when Bruce Yahiro intercepted a pass and ran 75 yards for the six points. The Spartans tied it up with about 3 minutes in the second quarter remaining. Dan Sinkovitz picked off a pass and ran the ball 40 yards to tie it up 6-6. In the third quarter the Falcons controlled the ball but could not rally to score. In the fourth quarter the Spartans became strong on defense and were pushing the Falcons closer to their goal when the time ran out leaving the game in a tie. Neither team could run very well in the mud. The teams should get used to this kind of weather because this is the way it will be for many of the remaining games.

PUP PIRATES BLANK ASTROS

The Pirates didn't wait long to score in this contest. Don Trush of the Pirates put the Pirates on the scoreboard when he carried the pigskin over the Astros' goal line. Both teams had only 10 men, therefore their backfield would consist of only 3 men. The Pirates again scored on a pass to Glen Holmes. The remainder of the game was scoreless because both teams tightened up on defense. In the Pup League games the teams should concentrate on having a strong defense. By having a good defense you stop the other team from scoring those costly T.D.s. Final Score Pirates 12 - Astros 0.

PUP LIONS BLANK BOBCATS

John Rodgers of the Lions first broke the ice when he took the ball around end on a Q.B. keeper. The extra point failed. This was the only score in the first quarter as the two teams punted to each other. In the second quarter the Lions pushed the Bobcats to their own 5 yd line. The Bobcats tried to punt, but the snap was over Frank Plaia's head and Andy Leifel fell on the ball for a T.D.

PUP WASPS TAKE SPIDERS

The point after touchdown failed. There were a few fumbles as the field was muddy and playing conditions were poor. At half time the score was 12-0, Lions favor. The third quarter was about half through when the Lions pushed the Bobcats to their 3 yd. line. Frank Plaia went back to punt, the snap was again over his head and Pat Coleman recovered in the end zone for a T.D. The extra point failed. The 4th quarter stood scoreless and the Lions won 18-0. Both teams should quit complaining and concentrate on PLAYING THE GAME.

SAVE YOUR "PEACOCK CARRIER COUPONS" FROM THE NORTHCENTER NEWS. EACH ONE IS WORTH 1,000 POINTS....

The Wasps again showed their great organization and brilliant plays by beating the Spiders 18-13. In this see-saw battle the Wasps jumped to an early lead scoring once in the first 2 quarters. John Fahey scored both of these behind great blocking of the Wasp line which lasted through the whole game. Some of these linemen stars for the Wasps are the center Mike Kroschel, Ron Egan, James Rada, Greg Zarazinski, and Len Soderblom. These men gave good support to the backfield consisting of Tom Horn, Dean Veglia, Treacy Wagner, and Quarterback John Fahey.

The Spiders started scoring in the 3rd quarter, scoring 2 T.D.'s and a point to take the lead over the Wasps by one point. But, John Fahey came to the rescue again with a T.D. to take the lead which was held through the end of the game. Greg Kestler scored 7 pts. for the Spiders and Al Lange scored 6. These men got support from a strong bench and the big line consisting mainly of Pete Cihak, Pat Gustafson, John Pfetzer, Ron Irving, and Russ Zartler.
