PICK UP YOUR PUMPKINS ON SATURDAY

The annual Hallowe'en Pumpkin Carving Contest will be held as usual so be sure to line up a few boys from your team to help do the carving. This year you'll have the week-end to do a good job. You may pick up your pumpkin (free of charge) at the clubhouse on Saturday between 10 A.M. and 3:00 P.M.

We know that most of the boys receive help from their mothers and dads but that's o.k. providing you also help. Use any articles or materials that will make a real character out of your pumpkin, and then bring it to the clubhouse on Tuesday, October 31st before 6:00 P.M. as the judging will take place shortly after. Also be sure to fill out your group entry card when you return your pumpkin.

Winning groups will be announced in the Monkeyshine on November 6th.

HALLOWE'EN PARTY AT REVERE

The big Hallowe'en Party will be held in the Paul Revere Fieldhouse on Tuesday, October 31st at 7 o'clock. Be sure to tell your brothers, sisters and neighbors -- mothers and dads are also invited. There will be some exciting and spooky events for a lot of fun besides prizes for some of the winners.

MEETING FOR NEW MEMBERS

This will be held on Friday, October 27th at 7:00 P.M. in the clubhouse. This will be the last time that new members will be accepted to still play football. We will accept new members as usual but the next meeting will be on November 10th.

GAMES WILL NOT BE CALLED OFF

We do not call off games because of weather during the football season because it usually gets worse as we near the end of the season on Thanksgiving Day, and there's no time to play games which have been cancelled. Only under unusual circumstances will we cancel games. In the future be sure to come even if the weather is poor; we have to expect that now.

We realize the fields are in a terrible condition again but there's nothing we can do about it. When your jersey is washed be sure to remind your mother that it should drip dry and not be put into a dryer.

N.B.C. LEADERS EARN SCHOLARSHIPS

The presentation of scholarships earned by N.B.C. leaders during the past year will be held on Monday, October 30th at the Harris Restaurant. Dinner will be served at 7:30 P.M. The boys who qualified are as follows:

Guy Vitello	<b>Joe Miceli</b>
Joe Imburgia	Tom Krier
Ron Meck	Paul Rack
Steve Haftl	Chad Vitello
Arpad Horvath	Jeff Keating
Jim Sugrue	Kevin Keating

Representatives of the Northcenter Lions, Bellpark Servicemens Club and the Irving-Kedzie Kiwanis who contribute to this fund will also be invited.

BIKE-A-THON TO AID CANCER FIGHT

Ride your bicycle for a good cause! It's to help knock-out cancer. The big day is Sunday, October 29th from 8:00 A.M. to 12 Noon, and it's spearheaded nationally by T.V.'s famous Partridge Family. Participants of ALL AGES may ride for sponsored dollars to help support cancer research, education and service programs. If you'd like to participate stop over at the Club and ask for a sponsor sheet from Rich. Make it a family outing - there are quite a number of families that go bike riding on Sundays.

CROSS COUNTRY MEET AT HORNER PARK

It will be held Tuesday, Oct. 24th at 4 o'clock at Horner Park. Boys 17-under are eligible to compete. The notice is late but you can still go if you wish.

A WORD OF WARNING

Don't let your little brothers and sisters go alone for "Tricks or Treat. There have been some bad experiences during the past few years and therefore all organizations are passing on this advice to their members.

STAY OFF THE FIELDS IF YOU AREN'T PLAYING

Because of the terrible condition that the football fields are in, please stay off unless if you have a game. To run through the mud just makes them much worse; wait a little while and give them a chance to dry out. It's for your own good!

PREP BUCCS TRAMPLE PIRATES

By: Jeff Keating

The undefeated Buccs looked as though they had met their match when the Pirates returned the opening kickoff to the Buccs 30 yard line. The Buccs defense then came alive and stopped the Pirates dead. On the first play for the Buccs Dean Hansen moved the ball to the Pirate 20 yard line from where Pat McDermott took it over. The score remained 7 to 0 until the last quarter when Ralph Pena scored to make it 13 to 0. Then Dean Hansen drove through for the extra point and the final score was 14 to 0. The Pirates never gave up trying and were in the game until the end. Some outstanding players for the Buccs were Jim Haftl, Bill Antos, Dean Hansen, and Ralph Pena. For the Pirates the top players were Mike Thom, Joe Hornsberger, Bob Forst and Vito Mairchese.

TRIBE SPIDERS NUDGE BY COUGARS

By: Joe Imburgia

It was a defensive battle down to the wire but the Spiders plunged ahead to end up with a 6 to 0 victory. Paul Johnson raced across for the score but the try for P.A.T. failed. John Lauer, Joe Cullotta, Peter Cihad provided defensive surroundings for the Spiders. They contained Marty Summerville, Arthur Ortich, John Diversey and Tom Vandenbosch. The Cougars just couldn't get an attack going. Willy Mulchrone, Mike Bartlett, Ricky Smith and Mark Kuras stopped the Spiders' running attack and the Spiders were forced to go to the air, and that is what set up their score. Steve Welsh took a pass from Pete Cihak for a long gain and that's what put them in position for the T.D.

MOVIES FOR ARCHERY CLASS

On Wednesday the 25th World Championship Archery Event will be shown for the entire class. Sometime in November another picture Mozambique featuring the shooting of Fred Bear will be shown. This picture was shown on T.V. several times.

We play rain or shine so attend all of your games.

"YOU AND ME"

By: Arp Horvath

Don Swanson of the Prep Hornets still thinks this is the ME and You column. Maybe that's why he runs backwards on the field.

Jerry Johnson wanted to see what was in Phil Lynch's head the other day. He bit in, you guess it, he found chewy caramel. Art Fitzgerald has left Paul Revere Park for bigger and better things at Hamlin. His replacement is "Big Mike". He's still in the fieldhouse trying to figure on how to get out.

At the Mud Bowl there was a big mud slide the other day. Joe Miceli fell down and all of a sudden the mud just started to slide.

Ron Meck is back reffing games at the Club. Ever since he started so have the protests.

The Prep Scorps are known as the "Wild Bunch". With their purple jerseys they look more like a bunch of grapes with freckles.

The new Pup league is doing fine. Too bad they don't want to leave the sandbox. I guess they like the idea of burying leaders alive. I know some coaches who would like to do the same.

The Prep Eagles are back to their old tricks again. They're doing the "Quarterback run around." That's when the Q.B. runs around until he tires out the other team and then scored a touchdown.

John Montgomery came into the office the other day and announced he's rejoining the Club. I knew it was too good to be true when he quit.

We wish to thank all those who worked on Candy Day. The rest is unprintable.

Frank Bass was late for his last football game. He almost drowned when he was going upstream to get to the Club.

Try the new pop we have now. It tastes great with sawdust and Pup leaguers.

PUP NEWS

By: Bill Abplanalp

Last week's activity was bombardment and the 32 boys that showed up had a real good time - in the gym. It was the first time they played this fast moving and exciting game. This week's activity will also be held in the gym SO BRING YOUR GYM SHOES. We'll be wrestling & tumbling. The top boys this week were Brendan Cunningham, Eric Okeson, Bob Trush, George Jeuk, Virgil Jellison, Alan Grezlik, Ed Galiano and Bob Wincheski. Let's see which boys will be in the Monkeyshine next week!

THE "HEAVY" RULE

There seemed to be some confusion on the heavy and heavyback rules which the Forum decided to clarify at their last meeting. Anytime a heavy is running with the ball the play is stopped by two hand tag below the waist. The exception to this is the "heavyback" play.

A heavy may be called back to kick, pass or hand off the ball, however he must be at least five yards behind the line of scrimmage when the ball is snapped. If it is a fake he is out of the play. The heavyback must be tackled, but once he runs past the line, the play is stopped by two hand tag below the waist. Tackling a runner who should be stopped by tag is a 15 yard penalty. Other violations of the heavyback rule is 5 yard penalty administered by the "All but One" enforcement principle.

PREP LIONS BEAT WILDCATS

By: Joe Miceli

The Prep Lions beat the Wildcats 12 to 0. The Lions are a good team that utilizes the shotgun formation for their running attack. Their offensive line blocks well for quarterback John Duran. The Lions scored first on a touchdown by John Duran and got their second T.D. on a run by John Graves. Both times the Wildcat defense stopped the conversion. The Lions are currently in 3rd place behind the Cougars and Bobcats and look like a good contender. The Wildcats just need a little more organization which we're sure they'll get.

TRIBE LEOPARDS SNEAK BY WILDCATS

By: Steve Haftl

Larry Kirby, the quarterback for the Leopards, scored on runs of 38 and 50 yards. Both T.D.'s came in the third quarter after a scoreless first half. The first half was marked by a defense for both teams that was flawless. In the second half the Leopards came out battling and the first time they got the ball Jeff Vita, Frank Ruscello, Tony Miceli, Tom Pattulo and Frank Kukla opened up a giant hole and Larry Kirby scored on a 38 yard quarterback sneak. The Leopards defense was extra good and they held the Wildcats. Then Larry Kirby went through a giant hole and went 50 yards for another touchdown. The P.A.T. was good when Tony Miceli kicked for 2 points and the Leopards had a 14 to 0 victory.

BEES AND FALCONS TIE

By: Wally Johnson

The Bees scored first on a 50 yard run down the right sidelines by Tom Miller but in the same quarter the Falcons fought back to tie it up on a 3-yard run up the middle by Bob Gruntvig. The final three quarters were scoreless as Ron Schultz and Steve Capone played a fine game. Chris Smith & Marty Cannon were best for the Bees.
