PAUL BUNYON

With only Staff Wrestling, Tug-O-War and the Blue Ox Hunt left, two races are very close and in the other the Cougars have a good lead, but not a untouchable one, In last weeks event, Log Dragging, the winners were, Buccs in T.C. #2, Cougars in T.C. 3\$ and Hornets in T.C. #5. For this weeks event we will have Staff Wrestling. At your meetings this week we will determine who is the best heavy and light on your team. Then on Friday at 7:30 P.M. the champions from your team will face the champions from the other teams in your T.C. to determine the best. Then next week we will hold on one night the Tug-O-War and Blue Ox Hunt to finish up on the Paul Bunyon events. Then the winners in each T.C. will win the Clubhouse overnight. Try and guess who will be the blue oxen.

Staff Defeats Leaders - By : Jim McNaulty PUP LEAGUE GAMES

In this episode of the continuing saga of "Leaders vs. Staff Hockey Games," the Staff once again came out the Champions. This year, however, the Leaders gave them the score of their life.

To begin this contest, which was officiated by former Leaders Steve Veith and Joe Imburgia. The Leaders pitted their strongest line against the staff in hopes of drawing first blood. This was not to be, however, as Wally Johnson opened the staff scoring after six minutes of play. The lone leader score of the opening period was by Roger Hellberg. Wally added a goal later in the period and the staff led 2-1 after one period. In the second period the staff bombarded leader goalie John Diversey and scored 5 goals, 3 by Wally Johnson and 1 each by Rich Paschall and Mitch Shulich.

The Leaders kept chipping away at the efforts of Bill Abplanalp and Joe Miceli in the net trying to stop them from scoring. Jim McNaulty and Marc Hentschel scored for the Leaders in that period and after 2 the Staff led 7-3. Moving into the final period the Leaders pulled out everything they had and dominated play despite the hustling to block shots from Bill Abplanalp and Wally Johnson. John Diversey played great net for the Leaders holding the Staff to 2 goals while the Leaders scored 5 times. Marc Hentschel scored 2 and Jim McNaulty, Dale Meske and Roger Hellberg each added one. This wasn't quite enough as the Staff won 9-8. Both teams played an unbelievable game with constant hustle. Next years battle should be great.

Other players for the Leader team were Chris Skelnik, Sid Cumberland, Ed Forst, and Jim Christner. Other Staff members included Wayne Scharba, Joe Meceli and Lois Bilecki

"You and Me"	

Wayne Sabotka and Bill Ch tman of the Prep Hawks wonder who Paul Bunyan is and how he will fit into the clubhouse. Many of us know Paul Bunyons secret identity.

Rich Paschall had a tough time with forks at the Pancake Breakfast. He broke two of the forks before he could eat.

If you've lost anything check out the Lost and Found this week. After this week we will get rid of all items.

Congratulations to future N.B.C. Wheelmen Tim Dace, Franklin Brandon, and Forrest Brandon. They rode 35 miles last Sunday for the American Cancer Society. Ti and Franklin did it on no speed bikes.
