SUNDAY JUNE 28

FUN — FUN — FUN

The 28th annual NBC Carnival will open on Friday, June 19th, at 7:00 p.m. It will continue each evening - rain or shine - through Sunday, June 28th! The grounds will open at 7:00 p.m. each evening, except on the two Sundays, when the action will begin at 6:00!

The festivities will again take place on the parking lot of Victor Business Products, courtesy of Walter Kidde, Inc. Parking is free, and the entrances are located at Irving Park and Rockwell, and at Byron and Campbell.

We have a huge line-up of rides this year! They include the Dodge'M Cars, Space Ladder, Ferris Wheel, Bobs, Zombie Lodge, Octopus, Paratrooper, Loop-O-Planes, Star, Tilt-a-Whirl, and four kiddie rides!

In addition to the rides, there will be a number of action games, and many chance booths! Action games include Ham and Bacon, Hooligan, Bingo, Ducky, Add'Em-Up-Darts, Crazy Ball, Dime Toss, and Cigarettes. The chance booths include Vegas, the Baseball Game, Money Tree, Sports, Toys, and TV and Radio! There will also be a new booth featured - the "Sounds Good" Booth! Among the prizes will be rock mirrors and gift certificates from "Sounds Good Records"!

We will also have four special Carnival Nights! On Monday, June 22nd, it will be "Wristband Night". Anyone who purchases a special wristband for \$3.00 will be entitled to unlimited rides for the entire evening! Tuesday and Thursday, June 23rd and 25th, will be "25¢ Ride" nights! All rides will be reduced to 25¢, except the two spectacular rides, which will cost 50¢! Wednesday night, June 24th, will be NBC Boys' Benefit/ Baseball Night! The drawing for Boys' Benefit winners will be held between 8:30 and 9:00. The Baseball drawing will follow. All NBC members who attend their pre-season games will be eligible for the Baseball drawing!

We will also have food and refreshments. Olympia beer will be served on tap from our Beer Garden! We will also have soft drinks, hot dogs, polish sausage, homemade cakes, hot pretzels, pizza, cotton candy, popcorn, and more! Be sure to bring the family and join us for a couple evenings!

### CAN YOU HELP AT THE CARNIVAL?

Our Carnival is a most vital fund raiser! Without it, we could not provide a year-round program of athletics for the boys in the community - a program which has served the area for 50 years!

In order to make this event a success, we need many nightly volunteers in the action games, chance booths, ticket booths, and kitchen. If you would be able to volunteer your services on any evenings, call Mary Dwyer or Anna Mae Cole weekdays at 463-1848. Your help will enable us to better serve your community!

BASEBALL RULES YOU SHOULD KNOW

1. A regulation game consists of 6 innings.
  2. Shoes with metal spikes are illegal.
  3. The strike zone extends from the batter's armpits to the tops of his knees when he assumes his normal batting stance. The strike zone is judged in relation to where the ball passes the plate, and not where the batter is standing.
  4. A balk is an illegal act by the pitcher when there is a man on base. Some examples are:
    - a. not following through with the pitch after starting a pitching motion.
    - b. a quick return pitch.
    - c. delivering the ball without having the pivot touching the pitching plate.
    - d. failing to step directly toward any base before throwing to that base.
    - e. taking a position on the mound without having the ball.
- The penalty for a balk is a free base for every runner. The count to the batter remains the same. If there are no base runners, there can be no balks.
5. Runners cannot lead off. They must retag the base, and may run as soon as the ball is hit, or attempt to steal when the ball crosses the plate.
  6. Runners may steal second or third base, but may never steal home. If a runner leaves too soon on a steal and an appeal is made, he must be given a free walk back to his original base.
  7. On an overthrow that goes out of play, all runners are given the base to which they were going plus one more. The umpire is the sole judge of which base a runner was on his way to, and he will also set ground rules according to the field.
  8. All batters and runners must wear a protective helmet at all times!
  9. A player must have control of the ball and a voluntary release in order for a legal catch to be established.
  10. A player cannot throw his hat or mitt at any batted or thrown ball. He also may not attempt to catch the ball with any part of his uniform.

11. All active members present must play at least three innings. Subs of the team with the ins enter the game in the bottom of the third, and subs of the team with the outs go in during the top of the fourth.
12. If the fourth inning is not reached 45 minutes before the end of gametime, all subs will enter the game.
13. The catcher does not have to hold on to the third strike. The batter's out.
14. Pitchers are allowed 5 warm ups at the start of each inning, and each reliever is allowed 5 pitches.
15. Once a pitcher is relieved, he may not pitch again in that game.
16. Bunting foul after two strikes is an out.
17. Forfeit time is 20 minutes after the scheduled game time. At forfeit time, the captain of the team present has the option of accepting the forfeit, or allowing the team 10 more minutes before claiming a forfeit. If a team opts to extend forfeit time, the game will count - win or lose!
18. The six runs per inning rule will be in effect during every inning except the last inning. When a team scores its sixth run of an inning, that inning ends as soon as the play on which the sixth run scored ends. Any runs that score on the same play as the sixth run will count. It is possible to get nine runs in an inning.
19. All rules are in accordance with the Little League Official Rules, except for the few special NBC Rules.
20. Players who do not attend at least 75% of their team's games and meetings are not eligible for any awards! If you will be on vacation, you must notify the Staff before, not after, the vacation, so that those games are not included in your total attendance.

Tribe Basepaths: 60 ft. bases with a 46 ft. pitching distance.

Prep Basepaths : We will experiment with the bases during the pre-season games, start with 45 foot bases on Tuesday.

SPECIAL PREP RULES

1. Players bat in a continuous order and play the field every other inning.
2. No pitcher is allowed to pitch more than 3 innings. We do not want any arm injuries.
3. Additional T-Ball rules will be explained during the pre-season games.

LOCK YOUR BICYCLES!

All members who ride bicycles to the Club should be sure to lock them up to the park bike racks! No bicycles are allowed in the Clubhouse! If you bring your bike into the building, it will be put outside!

Every summer, bicycles are stolen because they are left unlocked either in front of the building, or near the field during a game. Be sure to lock your bike whenever you are not on it! We will not be responsible for any bikes!
