The NBC Staff & Leaders, our Program Committee, Moms' & Dads' Clubs, Alumni and Board of Directors wish our members and families a **HAPPY THANKSGIVING**. We would also like to commend the coaches and players for the fine job and hard work they've put out since September. We have seen a lot of exciting football and appreciate your team spirit, enthusiasm and sportsmanship. We'd also like to thank the many parents who've been supportive, lining the fields to cheer for their boys.

Additional thanks go out to the volunteers who are working to make the day a success, from the two dozen alumni officials to the parents and friends who are helping with the refreshments. Thanks to Burkat Gillani from Dunkin' Donuts at Lawrence & Ravenswood and to Al Birch and the North Cook Co. for use of the coffee machine, to Terry O'Malley for the use of the Revere fieldhouse, to George Howe for getting our Turkey Toss prizes and to Bonnie, Olivia and the NBC Cheerleaders. Have a great day!

NBC IS CLOSED FRIDAY

The Club will be closed for clean up on Fri. Nov. 29th. We will return at 8:30 a.m. on Saturday with the start of pre-season basketball games as well as football uniform returns.

The NBC Dads' Club will meet again on Wed. Dec. 4th at 7:30 p.m. The dads help out NBC and the children in many ways ranging from coaching and building the Haunted House to making repairs and raising money. They would like to see you come out to a meeting and see what they're about.

Looking for a fresh, full tree to warm up the home can be a hassle. The NBC Dads' Club wants to make it easy for you. They will be selling fresh-cut long and short needle Scotch Pines, Blue Spruce and Douglas Firs in front of the Clubhouse. The sale will take place on Sat. Dec. 14th from 9:00 a.m. until 9:00 p.m., and on Sun. Dec. 15th from 9:00 a.m. until 7:00 p.m. All trees are between 6 and 8 feet tall and will cost \$20 - \$50. **THANKSGIVING DAY SPONSORED
BY BRENDA WEIGELT**

NBC is very thankful for the continued support of Mrs. Brenda Weigelt, who is sponsoring the Turkey Bowl Classics in the memory of her late husband and longtime NBC friend, Johnnie Weigelt. Mr. Weigelt ran one of the largest catering businesses in the area and helped start the tradition of hot chocolate on Thanksgiving. We thank her for her generous support.

UNIFORM RETURNS START SATURDAY!

FULL REFUNDS GIVEN UNTIL DEC. 7TH

We would like to remind our players and parents that the NBC football equipment must be returned within one week of Thanksgiving. The return dates are from Sat. Nov. 30th through Sat. Dec. 7th. As outlined in the letter signed by parents at the start of the season, the uniform must be returned clean, in good condition and on time to qualify for a full refund or donation credit. This is a busy holiday for all of us, so please don't forget about the uniform. You'll save us a lot of work and we'll enjoy our holiday even more! Thank you for taking care of the uniform.

1. The jersey must be washed clean of mud and dirt with small tears sewn.
2. The helmet must be scrubbed free of dirt and marks inside and outside. The outer shell should be waxed and the helmet number, light stripe and light "L" are to be left on. **DO NOT USE A METAL SCRUBBING PAD OR AN ABRASIVE CLEANER ON THE HELMET!** Soft Scrub is the best cleaner.
3. The chin strap, all helmet pads, all clips and screws must be intact.
4. Damaged equipment or missing parts must be paid for in cash.
5. After Dec. 7th there is a \$5.00 late fine which must be paid in cash. Basketball players must have returned their uniforms before gametime Dec. 7th in order to play that day. In addition we cannot present awards or pictures to anyone who has a uniform out or a fine due.

Many of our parents have been quite generous in donating their uniform refunds to NBC as a part of the yearly Parent Financial Support Program. We ask for \$40.00 per year for one child and \$60.00 for two or more. Donations are what keeps the programs running.

PREP BOBCATS VS. FALCONS

FIELD 1 - 8:30 AM

By: Tony Ramirez

This Thanksgiving the **BIG** game will be played *between the Bobcats the Falcons*. This game will be for the right of being called a champion. The Bobcats took the first half by claiming all the victories. In the second half the Falcons had a record of 4 wins no losses and two ties to take the number one spot. Both teams have met on several occasions. In the second half both teams played each other twice. In those two meetings they tied. This gives the Bobcats a little edge knowing that they have not lost to this team. The Falcons, on the other hand, see this day as a great opportunity to achieve their biggest win of the year

This year has been the most challenging for the Bobcats. The Bobcats started the season off like the champions that they are, by claiming *all 6 victories* in the first half. In the second half the tide changed as the Bobcats ran into difficult times. Every team caught up to the Bobcats, and gave them a run for their money. The Bobcats continued to play strong but fell short on some attempts as they ended the half with 1 win 2 losses and 3 ties. The Bobcats have been practicing throughout the break and their mission is to play like the champs that they are.

Leading the way for the Bobcats are *coaches Ignacio Cruz and asst. coach Greg O'Leary*. Combined these two have made the kids work hard, and have made them understand the game of Football. On the field the defensive inspiration comes from *captain Joe Miller*, and on offense it is *co captian David Cruz* who calls the shots.

The Bobcats are known as the big offensive passers in the league. They work out of the "Shotgun" formation where *QB David Cruz* looks for wide receivers *Adam Stlies* and *Danny Cantu*. *Pete Miller* always seems to get his hands on the ball from the tight end spot. All three are the reason why the Bobcats have a passing game that is thought of as dangerous. On the ground *Jessie Fracek* leads the attack with his head down running. *Danny Cantu* manages to get a couple carries every game. One of the main reason that the Bobcats do so well on offense is that the offensive line lets the offense have enough time to do what they need to do. The man in the middle is *Pete Miller* to his right is *Jaime Mulherrins*, to his left is *Joe Miller*. The right tackle is *Jessie Fracek*, and the left tackle is *Vernon Chevalier*. *Jonethen Wesley* holds the tight end spot. When they need the extra help *Marvin Romero* and *Sam Senjanovich* are always their to make sure that there is the extra block.

On defense the Bobcats have done an excellent job as *Vernon Chevalier, Jonathen Wesley, David Cruz, and Tony Awkerman* hold up the line. The BIG nose job is done by either *Sam Senjanovich* or *Marvin Romero*. The linbacker spots are held by *Joe and Pete Miller*, in the middle is *Jaime Mulherrins* directing the traffic. The cornerback spots were earned by *Danny Cantu* and *Jessie Fracek*. The two safety nets are *Sean Barnes* and *Adam Stiles*. Together they make sure that nobody gets pass them or it is all over.

The Bobcats plan on doing what they've been use to doing every Thanksgiving, and that is winning. This year the situation is a little different they fell short in the second half as the Falcons took the second half with the record of 4 wins no losses and 2 ties. The Bobcats feel that the Falcons have been their toughest oppenent because they have great runners and on defense they anticipate the play. Even though the Bobcats feel this, they are certain that they will once again earn the title Champions.

The Falcons have had a very successful season. The season started off slow for the Falcons but with the help of all the Coaches, and all the time they dedicated. They have really help this team develop into a real contender. The Falcons are lead by *Coach Ned Thoma*, and asst. coach *Bill Conners*. They also always have plenty of help from the other dads. On the field this team looks to the guidance of *captain Jose Torres* and co captain *Angel Lopez*. Combined these two have helped the team stay in order, and made sure that they would never fall short of players to the game. Even though the Falcons had a few internal problems this season they managed to work out the differences to make it to this day.

The Falcons are known in the league as a great running team. The reason for this is that they are led by runners such as *Rogelio Perez* who knows when to put his head down and get those extra yards, and *Joe Cihak* an effective runner who knows when to stay with his blockers. *Angel Lopez* then leads the way as the head blocker. The offensive line for the Falcons has been one of the keys to their overall success. Holding the line are *Marcin Lemanski, James Bigelow, Kevin Barzcz, Mike Pratt, Jeff Van, Kevin Smith, Jamie Solis* and *Ed Brewer*. When it becomes time to go the air *Johnny Mochel* steps in at the shotgun spot and looks to his favorite reciever *Rogelio Perez*. Another reason why the Falcons won the second half championship was due to thier tough defense. They rely on the strenght and size of their defensive line to stop all the runs. *Jaime Solis* heads up the middle, while to his right hand are *Marcin Lemanski*, and *Mike Pratt*, while to his left are trusty *Kevin Smith* and *Angel Lopez*. *Jose Torres* watches the middle a few yards back while *James Bigelow* and *Ed Brewer* hold the other linbacker spots. Watching the receivers closely are *Joe Cihak* and *Johnny Mochel*. *Jeff Van* and *Kevin Barszcz* are both called in when the times get tough and they really need the extra man. On T-Day the Falcons expect to just go out there and play the way they always play, good tough Football. They all know thats the reason they are playing for the championship, because they all stuck together and showed up every game and played with great sportsmanship.

Congratulations to both teams for making it this far. Both teams have played great football. Each team has a speacial uniqueness that allowed them to make it to play for the big game on Thanksgiving. Unfortunately there can only be one winner, and that means of course that there will be one team that just fell short this season. Despite the outcome of the game *both teams deserve to be called champions* because of the effort that each team has displayed. Once again congratulations to both teams for having the opportunity to play for the reason we have the games on Thanksgiving, the Championship. Good luck to both teams.

TRIBE PIRATES VS. BEES

FIELD 2 - 8:30 AM

By: Rolando Argumedo

This game has two very different styles of offense. First, the Pirates who keep the ball on the ground. Then the Bees who love to air out the ball. Both teams match up well against each others offense. The Pirates hold the series led 3-0. The Bees has not yet scored yet against these Pirates. If the Bees expect to win, they must put the ball in the endzone. Which is no easy task.

The Pirates had a dream in the beginning of the season to become the champions of the Tribe League. This dream came up a bit short, but the Pirates have nothing to be ashamed of. This great team is led by Captain Phil Jensen and Co Captain Andrew Johnson. Leading this powerful offense are QBs Phil Jensen and Andrew Johnson. When these two young men put the ball in the air, they look for Steve Kottra, Paco Galicia, and Danny Jensen. The Pirates mainly like to stay on the ground and pound the ball with their running backs Ruben Solis and Steve Schulze. Both runners are very powerful and work for every yard they gain. Protecting the QBs are one of the biggest offensive line. They are Alek Butta, Hector Garcia, Sean Laffey, Juan Gonzalez, and John Bean. The kicking game of the Pirates is put in the hands, or should I say in the feet, of Paco Galicia and Sean Laffey. On the defense doing a good job of pursuing the quarterback are Dale Hubbard, Armond Harris, Ervin Rosario, and Sergio Solis. There is no question that the strength of the Pirates' offense is their powerful running game. When it's on, it can roll over any defense in this league and it has proven it. On the other side on the ball, their strength is the strong pursuit of the linebackers, who are always at their positions, and ready for anything that is thrown at them. The Pirates have been coached this year by David Katzin and Larry Cariato, who have done an excellent job in teaching sportsmanship and hard work.

The Bees came up one game short from returning to the championship game this season. They lost to the Bobcats in the last game of the regular season. Nonetheless they had an excellent season. They showed how to turn out a great season from a slow start. In the beginning of the season the Bees had the talent, but players weren't showing up to practice. They also were not listening to a good young coach. Things looked good for the Bees at the end of the first half. They put together a few good games and looked ready for the 2nd half. The Bees are led by their Coach Adam Taylor, who returned from last year. The team captains are Pat Walsh and Brian Wright. The Bees work out of two formations, the "I" and "T". Whoever has been following the Tribe League knows that the Bees are almost an "air it out team." Coach Taylor calls on Aubrey Conerly or Brian Wright to drop back into the pocket for the pass. When Wright drops back he usually has Conerly or Patrick Walsh wide open. Conerly has great speed, while Walsh has the speed and great hands. Wright couldn't get anything done if it wasn't for linemen Jason Johnson, Ceaser Vazquez, and Daniel Jenkins. When the Bees look to run they rely on one of the smartest runners in the league, Damien Ramey. He hits the holes quicker than anyone in the league, he grinds out for every yard and can break it open at any time. Matt Henneman, who is a Rashaan Salaam type of runner runs for power, but without the fumbles. The Bees best play has been the endarounds. When the Bees score a TD they look to Jason Johnson for the kickoff. On the other side of the ball the same three linemen attack the line and QB they are; Johnson, Vazquez, and Jenkins. The Bees have tall safeties and quick cornerbacks. Andrew Gschwind and Pat Walsh stick to the receivers. The Bees have had an excellent season and want to go out and show that they should have been at the championship game. Watch out for them next season.

Both teams played their hearts out throughout the season. Even when they were down, they kept their spirits up. This truly shows sportsmanship and dedication. Win or lose, both teams can walk off the field with their heads raised high, knowing they tried their best. That's what we ask of the players, to try their best.

PREP BEES VS. PIRATES

FIELD 1 - 9:45 AM

By: Gilbert Ruiz

This Thanksgiving Day the Prep Bees will meet the Pirates. These teams have played on numerous occasions. The Bees and Pirates have played five times. Out of those five times the Bees have won four times and tied once. So the Pirates are expecting to take this one. This game will be played with skill and determination.

The Prep Bees are led by Captain: Joey Gudella, Co captain: Sean O'Connell and coaches Trent Wilkerson and Wolf Gudella. They had a super season, with a great offensive line lead by Johnathan Gomez, Mike Ott, David Banks, Justin Katselis, and Josh Iverson. They had an awesome Q.B. Joey Gudella with his sharp and accurate arm. Their good backfield with Jason Jenkins cutting in and out of holes, and Gary Tibor with his burst of speed through the line. One of the best receivers in the in Prep Josh Iverson and his good hands with good speed to get down field. Their strength as an offensive is their off run wing. Their defensive strength is their outside blitz because they have the speed to get in the other teams backfield. Other good players that give it their all is Jimmy Suriano and Fabio Fernandez. The Prep Bees expect to win this Thanksgiving Day because "They are excited to play, and they think they're one of the best teams and can win on this day", explained by Bees head coach Trent Willkerson.

The Pirates are led by Captain Declan English, Co captain Jaime Mendoza, and coaches Edwin Couch and Jim George. They had a good season with a strong line lead by Luis Babb, Derrick Dominguez, Roberto Anguiano, and Johnathon Abuja. A good Q.B. Peter Schwich and his strong and accurate arm. They also had a strong backfield, Galen Fletcher has a sharp slashing style knowing how to find the hole and hit them. The other running back Karl Fabiankowitz has good straight up speed, not afraid to drive into a defender. Their strength is their offensive line they give the Q.B. time to get rid of the ball and make the holes needed for the running backs. The strengths for defense is their end and line backers are fast and get into the backfield quickly. Mike Laffy is a good receiver with his awesome speed and sticky hands he is able to make plays. They expect to win on Thanksgiving day because "this team has something to prove we haven't dominated any of are games. What better time or place than on Thanksgiving morning with everyone there to see". Says coach Edwin Couch.

This should be an exciting matchup as both teams stack up well against one another. They can both be proud of their season's accomplishments. Congratulations on a fine season, and thanks to the coaches for doing such a fine job. Finally, good luck to both teams in this big game!

TRIBE COUGARS VS. FALCONS

FIELD 2 - 9:45 AM

By: Billy Winters

This game will feature the Cougars and the Falcons. The Cougars are leading the series 2-1, but the Falcons won the last time the two teams played. *Both of these teams played hard and while not in contention for a championship, they proved that they had great sportsmanship and did not get down and kept coming out to their games and giving their best effort.*

The Cougars have done a great job this season. They were in the race for a half championship in the season, but were let down by some players. The Cougars have a consistent offense. They mostly work out of the split formation slot. Passing plays have worked very well for the Cougars. The big offensive line, *Nick Duckhorn, Ivan Santiago, Dennis Gonzalez, Charles Ridgeway, and Vincent Gerage* provide solid blocking for the QB. When *Jason Frumkin* drops back to pass, *Ryan Raleigh* and *Manny Quiles* are the main targets to hit. The strength on offense has been running plays. *Sammy Elayan*, who has great speed and smarts, *Jason Frumkin*, who has speed and can look for the hole. *Richie Bermudez*, who has speed for a heavy. When it's time to punt or a kickoff they rely on *Bermudez's* leg. On defense the strength has been the powerful defensive line; *Duckhorn, Santiago, Gonzalez, C. Ridgeway, and Gerage*. The blitzing linebackers have provided a surge and trouble for the offense; *James Ridgeway, Jason Frumkin, and Joshua Heitlage*. The quick defensive backs and safeties have a big part on this defense they were *Manny Quiles, Richard Bermudez, Sammy Elayan and John Chaput*. The captains for the Cougars are *Frumkin and Raleigh*. The Cougars are coached by former NBC Staff *Jeff Jarvis and Bryan Raleigh*. The Cougars feel they can win because, *"Our team has had a soild season. We have had a chance to win every game but always seemed to fall just one play short. Our team wants to make a strong statement on T-Day that with a win although we are not playing for the championship, we want to end the season on a positive note. They want to show that through their hard work and practice they can beat any team in the league on any given day."*

The Falcons are the team that struggled more than any other in the Neighborhood Boys Club. They have had 4 player injuries, team problems, and some big egos. *In the 2nd half the Falcons erased all that as they came out to practice and they had fun.* They won their first game 2 weeks ago over the Cougars. They played hard and most of all they were having fun. Nobody was blaming anybody for a fumble or a bad snap. The Falcons are led by captains *Carlos Mendoza and Phillip Van*. They are coached by *Pat Van and Brad Angeletti* (*Great job by Brad on that first victory.*) This Falcons offense likes to work out of the double slot back and I formation. With blockers like *Nick Hansen, Gabriel Reynoso and Tim Tyrill* almost anything can get done. The coach calls the plays for the Falcons. *John Cuevas* likes to go for the short passing game. He always goes to his favorite receivers *Joe Brewer, Fred Brewer, and Carlos Mendoza*. The Falcons also rely on their running game. Their running is led by *Michael Gibbs*, who runs for power up the middle for the short gain. He was one of the top runners in the league for the 2nd half. *John Cuevas*, who is a slasher type, looks for the big yards. On defense their line is led by the great effort of *Carlos Mendoza, Jose Roman, and Gabriel Reynoso*. The linebackers and the defensive backs got to play a big role for the Falcons to win. The Falcons feel they will win on Thanksgiving Day because, *"The second half although not exceptional by record, was much more fun due to our focus on teamwork. Teamwork and unity will win us this game."*

Both teams struggled throughout the season and the teams want to prove that they are competitive and good. *Most of all they want to have fun!!! Good luck to both teams.*

CADET FALCONS VS. BOBCATS

FIELD 3 - 9:45 AM

By: Ricardo Solis

This year in the Cadet T-Day Classics the 1st half champion Falcons will be facing the 2nd half champion Bobcats. Both teams struggled in both halves but found a way to come out victorious. Then the Locusts will face the 2nd place team later that morning.

The Falcons had a great first half, but in the second half of the season they had a lot of difficulty coming out with a victory. In the first half their record was 4-2. The Bobcats were the opposite, having a very tough time during the first half. Their record was 3-4, but being very powerful in the second half. The Locusts were doing their best in both halves fighting for first place always being one play short of victory in those important games.

The Falcons rely on their running backs, *Cory Duda* who has great speed and great fakes and always sees the opened holes, and *Joseph Haderlein* who is a power runner with very nice moves. They both are the ones that score most of their TD's. They love running using the "I" and "Proset" formations. Their most successful plays have been those on a reverse, sweeps, and also screen passes. Their "QB" is a very talented player, *Kenny Kohldorfer*, who does most of their passing. When he decides to pass he looks for *Cory Duda* or *Kevin McCoskey* who both have terrific hands and always get a few extra yards. Their kicks are done by whoever scores a touchdown. Their punts by *Dakota Serviss*, who gives it a great boot. Their toughest linemen on offense and defense are *Brian Waslik* and *Kevin McCoskey*. Both have great size to play the line are very quick, and they are always hustling. Also helping on the line are *Kyle Kottra, Richard Abfull and Salvador Ortiz*. Their coach believes that their strength on offense is their quickness and great teamwork and on defense their quick instinct and speed. They have trouble playing against both the Locusts and Bobcats. The Falcons are coached by *Greg O'Leary* and *Scott Serviss*, and receive help in the sidelines by *Louis Stankl*. Their captains are *Brian Wasilk* and *Salvador Ortiz*. The Falcons feel that they will win on Thanksgiving because they are prepared to face a strong opponent, and will play to the best of their ability, but also making sure they have a lot of fun doing so.

The Bobcats are a well disciplined team. They have had their ups and downs this season. They are coached by *Ken Welsh*, and their captains are two very talented players, *Kyle Welsh* and *Stephan Hughes*. Their offense works out of the "T" formation, and also the single back formation. All of their plays are called by the coach, but *he also lets the players give suggestions*. Their most successful plays this season have been the fake passes and fake handoffs. Their best runners are *Kyle Welsh* who is a speedster and a very shifty runner, while *Stephan Hughes* is a power runner with great cuts. Their "QB" is also *Kyle*, his main receiver is *Stephan* who has great hands, and always manages to come up with a terrific catch in tough situations. *Stephan* and *Kyle* have scored most of their TD's with the great blocking on the line by *Reginald Henderson, Robbie Miller, David Ridgeway, Ian Tuffey, Micaljon Assmar, Sean Arteaga and Rafael Rasillo*. Their kicker is *Rafael Rasillo*, who has a great and powerful kick. Their toughest linemen are *Reginald Henderson* on offense and *Robbie Miller* on defense. Their strengths on offense is speed, blocking and deception, and great fakes on runs and passes. On defense is their toughness, intelligence, and that everyone makes plays, but most important, teamwork. They believe that their toughest opponents in the Cadet league on any given day and on any given time it will be the Locusts, because they use a lot of reverses, and they always bite on their first move. They expect to win on T-Day because they had a slow start at the beginning of the season. The team started to get it together towards the end of the first half, and have been on a roll ever since. The boys now understand the game. They show up ready to play. They play hard and smart. The boys have great attitudes, teamwork, team spirit, and a feeling that they are never out of a game. Coach *Ken* comments, *"It's been my pleasure to coach these boys I hope that they have had as much fun as I have."*

Good luck to both teams on T-Day.

TRIBE LOCUSTS VS. BOBCATS

November 28, 1996

FIELD 2 - 11:00 AM
By: Arturo Radilla

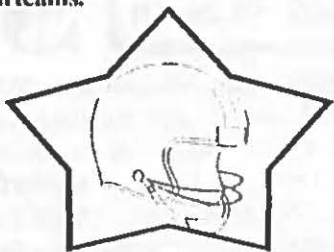

This will be the championship game between returning champion Locusts against the Bobcats. *The Locusts captured the first half by going undefeated, and the Bobcats won the 2nd half by going 4-1-1.* Both teams have very good talent on both sides of the ball. In head-to-head competition the series lead goes to the Locusts 1-0-1. *What a perfect matchup for this game.* The Bobcats and Locusts have both powerful offenses and defenses. The Bobcats feel that they win because the *"defensive battle and they work hard, have great kids, and great coaches. The running and passing will win the game for us."*

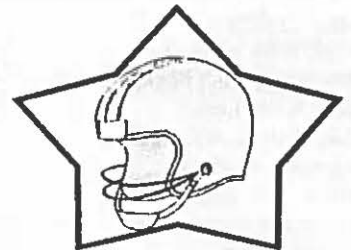

FINALLY!!! This is what the Bobcats are saying. They are in the championship game against the Locusts. This is the first time that the Bobcats have not been combined with the Cougars and they made it to the title game. *They proved that hardwork and determination will pay off in the end.* The Bobcats have had a long, long season. They put all of that aside in the last regular season game against the Bees for the 2nd half championship. They attacked just like Bobcats do and jumped out to a 12-0 lead. They won 19-6. The team is led by *Captain Mike Selgrat and Co Captain Sean Hannon.* The Bobcats ground game is led by *Charles Akers and Jesse Richardson,* who is the fastest runner in the league. Both runners are explosive, quick, and know where to run. When Richardson stays in the pocket to pass, he looks for *Michael "as in Irvin" Selgrat and Henry Ogunjimi.* They both have great hands and speed. The offensive line, which does a good job letting the RB get around the end, consists of *Mike Patino, Daniel Netzel, Pat Selgrat, Joe George, and Idriz Redzovic.* Richardson handles the kickoffs and the punts. *The kickoffs usually land inside the ten yardline.* The Bobcats' defense of hard hitting is led by *Phillip Inzurriaga, and Dave Arteaga.* The strength of the Bobcats has to be their passing attack. The Bobcats have the tallest men in the league, who can outjump anybody when a ball is just tossed up there. This makes it so easy for Richardson to just air it out. The strength on the other side of the ball is their rush up the middle. The men in the middle are always pursuing the quarterbacks, giving the QBs little time to decide what to do. The Bobcats are coached by *Tim Selgrat and Jim George,* who coached the Locusts last year and can't wait to face his former players. They both have done a good job of getting the team together and to play hard in every game.

The Locusts are back again. They knew that everybody was going to be gunning for them this season. After not losing for the first six games the Locusts got a little too comfortable and it showed. They were not playing anywhere near their potential as they could. The Locusts turned it around by winning the last couple of games. **The Locusts probably have the best all around offense in the league.** The Locusts run out of the "pro set" formation. The coaches or QB call the plays. The play that has worked best for the Locusts has been the run/pass option play. When they run, they have a great set of running backs with different abilities. *Tom Gudella* has power and durability. *Noel Valenzuela* is a counter threat. *Kevin Ward* has good cut back ability and *Ricky Serment* has speed. When it's time to pass Gudella takes the snap and has a great set of receivers, who always run their routes. *Tim Ward* has good hands, *Chris Thompson* has speed and hands, *Ricky Serment* has speed, and *Larry Burley* has the height and hands. This shows how many weapons the Locusts have for running or passing. Each of the players mentioned has scored at least a touchdown or extra point. When the Locusts punt they look to Thompson, and he also handles the kickoffs with some help from *Keith Hartman.* Of course none of these plays are possible without the offensive line leadership of *Tim Jendry.* The defensive line is led by *William Serment.* The Locusts are quick and talented. They possess great cornerbacks and linebackers. *Noel Valenzuela* undoubtedly the best defensive player in the league. The Locusts strength on offense is the variety of formations with players going in motion or shifting to another position. On the other side of the ball its the pursuit of the linebackers. The Locusts passing game is also starting to get hot, so look out Bobcats. The Locusts feel that each team in the league has been tough because they're all unique. The Pirates are the most disciplined team in the league. The Bobcats have excellent size. The Bees have a sophisticated offense. The Cougars have a physical group of players. The Falcons can just burst out and take over a game. The Locusts feel that they will win because *"We came out of the chute at the beginning of the season as the best team. A mid-season slump has reminded us of eliminating mistakes and proving we are the best overall team."* The Locusts have been coached by *Tom Ward, Wolf Gudella, and Trent Wilkerson.*

This most certainly will be the game of the day. Everyone will be at the sidelines watching. The Locusts won the first matchup 14-6. The second game was a tie. *Who has the advantage the Locusts or the Bobcats?* We'll just have to find out on the field. **Good luck to both teams.**

**CADET LOCUSTS VS. 2ND PLACE**

FIELD 1 - 11:00 AM
By: Ricardo Solis

The champions will be crowned during the 9:45 game, but the 11:00 contest will prove to be of championship caliber! The Cadet teams have all worked hard and are evenly matched. Usually one big play in each game determined the outcome. *All of the Cadets are champions,* although only one team can wear the title on its sleeve.

The Locusts got off to a slow start, but when former NBC member Glenn Stahl signed his son up and began to coach, things started to turn around. They had some big wins over the Falcons and the Bobcats and have learned a lot about the game. They are looking forward to facing the second place finisher in their very first Turkey Bowl game.

The Locusts success this season has been the great running by *Lorne Rodriguez, Dan Wegner and Mike O'Connell.* They are coached by *Glenn Stahl,* their captains are *Matt Resendiz and Lorne Rodriguez.* They like working out of the Split "T" formation. All of the plays are called by the coach. Their most successful plays have been the sweeps and reverses. Their best runners are *Lorne Rodriguez* who has great speed, *Mike O'Connell* who has tremendous power, and *James Petruzzi* who slashes. Whenever they choose to pass they look at *Dan Wegner* to pass to one of his two great receivers, *Matt Butzen* who is very smart and *Mike Pfest* who has very sneaky speed for being the smallest kid in the league. Most of their TD's have been scored by *Lorne Rodriguez, Dan Wegner and Mike O'Connell.* *Mike Pfest* and *Scott Minnecki* are the ones that score all the extra points. Everyone in the team gets the chance to kick, but the punts are left to *Matt Resendiz.* Their toughest linemen are *Nick Wessel, Matt Resendiz, Matt Butzen and J.C. Valenzuela* on offense. On defense it is *Sean Stahl and Mike Pfest.* Their strengths are speed and desire on offense. Playing their positions correctly and team work on defense, but also they all hustle on defense. Their toughest opponent have been the Bobcats because of their size, but the Falcons give them the best games because they are both equally matched. *The Locusts believe that they will win on T-Day because they want to get a piece of Sean Stahl's birthday cake.* Good luck to the Locusts and congratulations on a great season!

By: Olivia Cebollero

On Monday November 25, All-Star day was hit off with a game between the Panthers and the All-Stars. The All-stars won the first game with a close score of 14-11. It was a very good game. In the second game the Panthers came back and beat the All-Stars 15-0. Then in the final match the Panthers held their title as champs beating the All-Stars 15-7. *The MVP of the All-Star game for the Panthers was Kate Curtis #26. The MVP for the All-Stars was Crystal Correa #7 on the Bulls.* Playing for the All-Stars was Amanda Scott, Candice Werstein, Evita Casiellas, Crystal Correa, Sofia Marroquin, Gabby Monterrosa, Jenny Werstein, Krystal Branham, and Deana Daker. Playing for the Panthers was Colleen Ward, Eva Meding, Maggie Nickels, Jacklyn Iversen, Leslie Ruiz, Nina Kanoon, Nadia Kalam, Kate Curtis, and Tara Flaherty.

The Parent and Daughter game was next. There was a very good turn out for this game and we would like to thank everyone for their support. Ok, this is how the match went. The girls beat the parents with the help of Bonnie 15-5 in the first game. In the second game Bonnie actually let the Parents win with a score of 17-15. Then in the third match did the parents actually think that they would be allowed to win? NO! The Girls beat the parents 6-5!!! The MVP Parents were Juanita Scott and Dorothy Branham. The MVP girls were Maggy Nickels and Krystal Branham.

After the games we came back to NBC to award the ribbons and enjoy some food. The girls and parents had pop, hot dogs, sloppy joes and chips. We'd like to thank Jamie Fixari, Dorothy Branham and Jillian Garcia for volunteering to cook and serve! They did a great job.

We would like to thank everyone for their support in volleyball and hope to see you in basketball.

SKIRTS DUE AFTER THANKSGIVING

We would like to remind the girls and parents that the NBC Cheerleading skirts are due back at NBC between Sat. Nov. 30th and Sat. Dec. 7th. If the skirt is brought back clean, on time and in good condition, you are eligible for your \$15.00 refund or donation credit.

After Sat. Dec. 7th there is a \$5.00 for being late. Skirts must be returned and fines must be paid before we can pass out pictures and awards. Please help us close the books on the 1996 season by being prompt. It is a busy time for everyone, and your consideration will be appreciated!

HEY GIRLS AND PARENTS!!

Back in 1991 NBC began a pilot program for girls. In the beginning there were 75 girls participating in softball, basketball and volleyball. This program continues to grow and now serves over 250 girls.

The NBC Board of Directors is extremely pleased with the enthusiastic response to the Girls Program and is working to revise the NBC By Laws to officially incorporate girls into the Club. This will open the doors to more funding so that Staff, equipment and a Scholarship Program can be extended to the girls. It is anticipated that the revisions will be presented to the NBC Corporate Membership for approval in early 1997. Updates will appear in the Monkeyshine as we get closer to the vote.

NEW AREA CODE IN EFFECT

We might not be happy with it, but we might as well get used to the changes in area code. Don't forget that NBC is now in the 773 area code. Many parents who call from work during the day will have to adjust with the rest of us.

**BASKETBALL PRACTICE
SCHEDULE CHANGES**

The pre-season basketball practices ended last week. Because of the Thanksgiving holiday, *there were no practices this week.* The regular season winter practice schedule opens after Thanksgiving.

The Cadets will practice on Thursdays at NBC starting on Dec. 5th. The Preps and Tribes will practice on Fridays starting Dec. 6th at Revere Park. Be sure to wear clean, dry gym shoes for every practice. Also, be careful about bringing valuables to the fieldhouse unless you bring your own lock. We cannot guarantee that the room will remain locked during your activity. Neither NBC nor Revere Park will be held responsible for thefts.

Let's all remember that your practice attendance is a part of your commitment to the team. Practice attendance determines extra playing time. Coming out to the games is not enough! You have to give 100% to receive an equal amount of time on the floor. If your practice attendance slips, there may be no choice but to bench you until there is improvement.

**BASKETBALL CONTESTS IN DECEMBER
WILL YOU BECOME
"MR. OR MS. BASKETBALL"?**

The annual NBC Basketball Free Throw and Achievement Contests will be held between Christmas and New Years. Girls and boys are invited to toe the charity stripe in the FTC and take 25 shots, aiming for a trophy or ribbon. In the BAC you'll be tested in four skills - free throws, jump shots, lay ups and under-the-basket shots. All members who total 2,000 or more points under the scoring system, which is handicapped by age, earn trophies. The top scorer earns the title of "Mr. Basketball" and "Ms. Basketball" for a year! We'll have more details after Thanksgiving.

BASKETBALL COACH MEETINGS

NBC is looking for a few more volunteers who'd like to work with the girls and boys basketball teams. Coaching involves being at the games to provide *positive direction and organization.* If you would like to help, just stop by the office and talk to Jim or one of the Staff. *Once a coach has attended a pre-season rule meeting, she/he will be able to work with the team and be in the gym during games.* Although as many as three coaches may volunteer, only one may be in the gym at a time. Pre-season rule meeting will be held on Tues. and Wed., Dec. 3rd & 4th at 7:15 PM. A coach may attend on either evening.

Thank you to Don Kohndorfer (Cl. Fal), Scott Serviss (Cl. Pir), Ken Welsh (Cl. BCats), Mike Gschwind & Leo Pfest (Cl. Bees), Glenn Stahl (Cl. Loc), Ignacio Cruz (Pr. **THANKS TO OUR
FOOTBALL COACHES**

One of the most important pieces of a football team is the coaching staff. They are the guiding force, the ones who provide Leadership and Discipline. They are asked to teach, in their coaching and example, the very ideals upon which NBC was founded in 1931 - hard work, discipline, fairness and loyalty. *Thanks to this special group the NBC idea continues to work 65 years later.*

We should all be grateful for the time and effort of the coaches, doing their best for every single member of the team. The attitude of fair play and sportsmanship is one which should be carried onto the field by every player. As adults we can only hope that the atmosphere we have tried to create at NBC will stay with them once they leave our fields.

We live in a world where disagreements are settled with guns, where problems are solved by using alcohol and drugs, where you strike out first and ask questions later and everything that happens to us is someone else's fault. The coaches, parents and everyone connected with NBC are counting on the kids of today to help end this craziness by growing up with a better attitude and perspective. We have tried to set the foundation, but it is up to you to build from there.
