ONLY A FEW BANQUET TICKETS REMAIN

The fourth annual Father & Son Banquet is still 10 days off and practically all the tickets have been sold out, in fact there are only 44 tickets left including dads & sons. If you intend to come and have not made your reservation, you had better do so immediately or else be disappointed. As in past years the Banquet will be held again at St. Pauls House, California and Byron st. on Wednesday, October 6th. The doors will open at 6:15 P.M. Mr. Clarence Wermich, of the Northcenter News, will again be the toastmaster and with Lee Adler, popular northside pianist, on hand to assist him, we are sure that all the dads & boys will have a great time together in group singing, cheers, etc. The principal speaker of the evening will be Wes Frey, backfield coach at Northwestern University. Other speakers and sports celebrities will be on deck to make the evening very interesting. Other entertainment will include an act by Charles Plate, magician, football movies, and a comedy skit by Mr. Paul Pittges. Don't forget! Before your ticket is collected at the table, be sure to write your name on it in order to have a chance of winning the door prize - a Wilson Official Football. Other arrangements are being made by the chairman, Mr. Kimbrel, to make this the best banquet ever.

JOIN THE BOYS CHOIR

The N.B.C. choir is having a membership drive at the present time and as many of the boys should join up as possible. Each team in the Prepper, Prep and Prepper "E" league should have at least two representatives on the choir. Practice is held every Saturday evening from 7:00 to 8:00 o'clock. At present the choir is getting ready for the annual Christmas Show which will be held at Lane Auditorium on Sunday, December 19th. Be sure to come next Saturday night!

OUR SERVICE PAPER

A copy of the N.B.C. Service Paper, which is mailed out to 400 of our boys twice a month, is on the bulletin board in the games room of the Club House. Be sure to read it as there are many interesting letters published which have been received from the boys.

YOU AND ME

Martin Johnson, former member of the Sparks in the N.B.C. in 1935, was killed in action in the South Pacific area on June 29th. Marty was a member of the Marines with the toughest fighting group, the Raiders. Marty was well known and liked around Paul Revere Park and we know his death will be deeply mourned by his many friends of N.B.C. Bill Nickels, former member of the Cobras and N.B.C. Leader, will receive his commission as Ensign in the Navy on September 30th at Harvard University. Bill will attend the Father & Son Banquet on October 6th. Distribution of banquet tickets is always a tedious duty and is usually done solely by leaders. But this year aside from Frank Rossner, Don Wilhelm, Fritz Hebecker and Ronnie Marwitz, who are leaders, the largest part of the job was done by Jerry Baumhart, Henry Kneip and Herb Gengler. Another group of helpers are those boys who worked hard Saturday afternoon to make the clubhouse very clean. They are: Bill & Richard Koehler, Fritz Hebecker, Roger Mutter, and "Sparky" Adam. Let's have cooperation like this from a few more of our members. A clean clubhouse should be our aim throughout the fall & winter months.

T H I S W E E K

Are you ready to begin the 1943 Football season? Your answer to that question is definitely, no. Why? Well, to begin with, each boy on your membership list must weigh in so that the weight limit for your league can be established. As yet you cannot determine who your backfield is composed of; if your captain is on his toes he will see that all of his members are weighed in. The captain's duties are to find out what boys aren't weighed in, contact them, watch the bulletin board for the weight limits, and call the eligible backfield men for practice. Next in line for football preparation is your weekly meeting. Several teams have missed their last meeting and should they miss this week's very important session will be very disappointed when they don't find their names in the football schedule. Your captain should also be prepared to discuss the plays & formations that you will use.

FALCONS & BRAVES LEAD JR. LEAGUE

The last and most important requisite for being fully prepared for football is practice. Without several good practice sessions you cannot expect to have a smooth working backfield and a smart line; check out a football in the evening if you wish, since the flood lights will be on, and practice hard. After the fulfillment of these requirements you can say with assurance, "We're ready to play and because we're ready we'll "Fight to Win"!

By a 15 to 14 decision over the Wings the Falcons moved into a tie for 1st place with the consistently winning Braves. In the 7th inning of this game after the Wings scored 6 runs in their half it looked like it was all over for the Falcons. But suddenly they came to life. Wally Barggren doubled and scored immediately on a homer by Ches Halbert. Next came three successive singles by "Yatch" Lewan, Ray Frazier, and Ed Krey which counted for three runs when Herb Werner got to first on an error by the Wings' 3rd sacker which ended the game. The Wings should be commended on their fine hitting department in which they were led by Tom Johann who homered in the 5th, Jack Leske who singled twice and tripled, and Nick Darras who duplicated the feats of his teammate, Leske. The Braves and Falcons will meet this week and the winner of that game should determine the champs unless the Comets or Wings can do anything about it.
