NOTES OF GAMES LAST WEEK

In the Baby League last Saturday the boys were all forced to play in the gym again on account of bad weather until the last game when the Tigers, playing their first game, lost to the Bluejays. In the other games played the Air Corps beat the P.T.'s, the Panthers beat the Robins and the Bulldogs trimmed the Spartans.

In the Prep "A" League the race continued to be very close with the Navy, Reveres and Owls all neck and neck. The Gremlins, first half champs, started out poorly by losing their first 3 games but will be back with plenty of pep this week. The Navy beat the Owls for the second time in a close contest, this time 4 to 3. The Navy scored the winning run in the 8th when Stoesser singled and scored on a hit by Wenstrom after two outs. The Navy did not get a hit until the 6th inning. Glienicki & Kneip led the losers with 2 hits each. The Reveres then blasted the Navy with 21 hits for a 20 to 9 victory but then lost their first game of the season to the Owls the next day 18 to 16. Erhardt Deuschle starred for the losers with a home-run and 3 singles, while Metzger and Kneip got 3 each for the Owls.

In the Frosh League the Sea Bees kept their hold on first place by trouncing the Raiders 19 to 11 and getting a "gift" victory from the Rangers who seem to have a bad case of "buck fever" lately. In the victory over the Raiders, Donner led the attack with 2 singles and a home-run, while Simmons cracked out 5 bingles for the losers. The Invaders and Bears split a pair of games with the new-comers in the league winning the first 16 to 4 and the Bears the next 9 to 1 on 5 hits. Anderson was the outstanding hitter for the winners in the first game with three singles, while Andy Gartner hit a home-run and single for the losers. In the second game which the Bears won, all of their runs were scored in the 3rd inning on 4 hits when the Invaders aided the cause with four errors.

In the Junior League, as usual only a few games were played and the Cardinals still hold first place undefeated in 6 games. The Wings beat the Falcons 12 to 7 on Thursday as the losers were again handicapped by having only 7 men present.

A meeting for the Junior League captains will be held on Wednesday at 8:30 to discuss the prospects of a baseball league.

DAGGERS SLAUGHTER WRENS

The Dagers gave the Wrens their second defeat of the week when they trimmed them 28 to 8. Jack Pittges was the star of the game getting 4 singles, a double, and home-run in 6 times up for a perfect average. Melvin Kohn got a single and home-run for the losers. Although losing the Wrens still put up a good fight - something that the members of the Yankees might take note of.

NOTES OF THE GAMES OF LAST WEEK

The standings in the various leagues were just slightly changed as the heavy rains again caused many postponements.

In the Prepper League the Warriors remained in first place with two victories but gained only 1 point as they were short of men in both. The Cubs therefore can easily overtake them if they win their games with a full line-up. In their only game last week the Cubs beat the Aces 17 to 7. James Alward was the leading hitter with 3 singles and a double, while Marty Drake and Douglas Coughlin led the losers with 2 hits each.

In the Prep "B" League the race still remains an open fight with every team having a chance to win. The Eagles have a slight lead but the Dagers and Wrens are close with a number of games still to be played. The Eagles won a decisive victory over the Wrens by a score of 24 to 6 as they banged out 25 hits. Barkow, Ed Jinks and Jim Smith each banged out 4 hits to lead the heavy attack, while Henneges, Taylor and Swimmer each got two for the losers.
